

### **\*CaribbeanREQUIRED AND RECOMMENDED EQUIPMENT CHECK LIST**

*Thank you for booking your scuba diving trip with US Travel Center. US Travel for 37 years has been escorting group trips around the world. For your diving safety and enjoyment check this list over carefully. It is your responsibility to have your regular and BC overhauled within the last year and in good working order. If you have any questions, please call 248-289-2343 or your local diving center. Repairs and spare parts are limited on the trip, so be sure you have the following items and spares:*
